

# An Overview

---

# About CACEA

Founded in 2017, the Canadian Association of Consulting Energy Advisors is a national association that represents, promotes & supports Canadian Energy Advisors.

---

## OUR MISSION

To support a sustainable profession of successful and credible Canadian Energy Advisors.

---

## OUR VALUES

Competence › Forward Thinking › Integrity ›  
Professionalism › Respect

## OUR CORE PURPOSE

Promote the interest of the Canadian EAs for the betterment of our members where they are seen as best in class and support Canadian energy efficiency initiatives to better serve homeowners and stakeholders.

---

# Our Member Value Proposition

Members includes EAs from all provinces and North West Territories as well as suppliers, stakeholders, allies and those in the process to become Registered EAs.

## Members of CACEA have exclusive access to:

### KNOWLEDGE

Information, resources, and professional development supporting competitiveness and professionalism.

### NETWORK

Strong and supportive industry leaders and peers. Valued connections enhancing business.

### INFLUENCE

Key industry and regulatory stakeholders — promoting the importance of the profession.

# Our Focus

CACEA promotes sustainable building practices and facilitates Canadian Home Labeling Programs including:

**R-2000**

**ENERGUIDE**

**netzero**  
home

EnerGuide and R-2000 are official marks of Natural Resources Canada.  
The ENERGY STAR® mark is administered and promoted in Canada by Natural Resources Canada.

# Our Strategic Priorities

## A TRUSTED, CRITICAL PARTNER

THE go-to resource for stakeholders—  
at the table for key discussions  
and decisions.

## RENOWNED FOR HIGHER, SPECIALIZED KNOWLEDGE AND EXPERTISE

CACEA members get more work.

## STRONG AND SUSTAINABLE

Strong governance, operations  
and stability.

# Our Support for Municipalities

1. Retrofit Cost Data Collection Projects
2. CBAT and HTAP support
3. Feedback, input and collaboration
